OVERTIME PAY

A Department Head may prescribe reasonable periods of overtime work to meet operating needs. Overtime pay may not be used to affect pay adjustments nor in payment for work that can be scheduled in a routine manner. Only employees allocated to non-exempt classifications are eligible to receive overtime pay. Overtime must be approved by the appropriate Department Head prior to it being worked.

Unless otherwise specifically provided for in a collective bargaining agreement or other provisions of this Personnel Policy Bulletin, overtime shall be compensated by monetary payment and not time off, i.e. compensatory time. Any County Department wanting to authorize the use of compensatory time first must gain the written approval of the County Board and Personnel Director.

Overtime will be paid only if such time has been previously approved by the appropriate Department Head. No employee, by his/her own volition will work any time prior to or immediately following his/her normally scheduled working hours without the approval of his/her supervisor. No employee who is non-exempt will be permitted to conduct the County's business while on their authorized lunch break. Any employee who elects to forego his/her authorized rest breaks shall not be entitled to payment for overtime for breaks not taken. An employee who, without supervisor approval, works either before or after his/her scheduled hours or during an authorized lunch break, will be subject to progressive discipline. The employee's work week is hereby defined as Thursday at 0001 through the following Wednesday at 2359.

Employees in any of the classifications set forth in this Personnel Policy Bulletin may work in more than one department if approval to do so is granted, in writing, by both Department Heads, provided however, that in no event shall the total time in pay status exceed forty (40) hours per week.

The County supports the concept of a flexible working schedule where it can be implemented by Department Heads in a manner which improves the delivery of services to the public. An essential requirement is that all work positions be adequately staffed during the normal business or regular hours. Where less than full-time (i.e., less than 40 hours per week) employees are used, they shall be paid at the straight time hourly rate established for their classification unless they exceed 40 hours per week which will be compensated at one and one-half times regular rate. Flex time must be arranged during the work week or paid if it exceeds forty (40) hours.

The Personnel Officer will determine overtime pay eligibility and assign classifications to either non-exempt or exempt status. The Personnel Officer may develop a reporting system which will be used in all County Departments to report overtime usage. Department Heads will be responsible for the proper administration of the overtime provisions.
